

Dear Billy,

Once again I thank you for all the many beautiful corsages, my birthday presents and the Christmas and Anniversary gifts that you gave me; they were all but very nice. You know, I've thanked you many times for the material things which you've given me, but somehow I never told you of my deep gratitude for you just being you.

Billy, I admire your wonderful personality and your quiet disposition... really you control your temper awfully well. I write this feeling that I'm the luckiest girl in CHHS in 1953-54. This has been the happiest year of high-school life thus far for me. I really loved being class President and SCA Treasurer; and having my boy-friend's full support in all our class projects was just swell... Thanks so much!!

I'm so glad that you were chosen as one of the Jr. marshals you certainly deserved it. I'll be crossing my fingers this summer that you'll be elected one of the football captains next year. I'd make cheerleader if I could yell half as well as you play football.

Billy, I know you're going to be a success in life because of your high moral standards + more. I hold our friendship very dear and will always remember this year and the fun we've had together. Here's hoping we'll have even more fun together. Need I say more.. you know the rest!!
Love always to the sweetest guy I know,
Clarice ("Carri")

P.S. Your family are wonderful too!

The 1954 Hilllife is presented to all you students of Chapel Hill High School to remind you of the great privilege and responsibility in being the citizens of tomorrow. This book is a pictorial record of a happy and profitable year and if in the future you should glance through the pages here-in, we hope that they will bring back many fond memories of this year in your school.

This dedication is extended to Mr. Noble, whose unfailing inspiration has "pulled us through." His friendship and guidance have been with us the past four years to make the bad moments easier and the happy moments even happier. Here we wish to offer him our thanks and our hope that the days to come will be even more rewarding for both of us.

Led by these officers we, the Senior class, have enjoyed our busiest year. It has been a memorable one, and we hope that we have carried the responsibilities and set the example as leaders of the school.

Class of 1954

CLASS HISTORY

September 1950--and finally we were in high school. As we came from the Carrboro, White Cross, and Chapel Hill elementary schools, there were many new faces which soon became familiar. R. B. Fitch was president of the student body, and Robert "Peanut" Blackwood led our class meetings in Mr. Noble's room in the basement of the old wing. The old wing was our "Home" that year; it was the only completed part of the building. The sound of hammering, drilling, and machinery--the erection of the remainder of the building--broke the lull of many a science and civics class. In keeping with tradition, a freshman, Jackie Partin was crowned CHHS Sweetheart at the annual Valentine Ball. The varsity basketball team won the District 3 Championship, and the Jayvees had an undefeated season.

As Sophomores we were not as confident as we had expected to be, for we had a beautiful spacious new building to which to become accustomed. The Honor System, under the leadership of our first Chief Justice, Charles Green, went into effect; and Don Christopher was student body president. With our eyes on the future, we gave a successful square dance to raise money for the Junior-Senior. Ned Hedgpeth served as our class president that year. Nineteen hundred and fifty-one, fifty-two was a memorable year in athletics for CHHS. The basketball team won the Sandhills Invitational Tournament and again captured the District 3 Championship. Our swimmers placed third in the Southeastern Interscholastic Meet. The baseball team not only won the district championship, but also went on to beat Kinston for the regional title.

Juniors!--and again Robert Blackwood was chosen for the difficult role of class president. Jimmy Goodwin led the ever-increasingly effective Honor System, and Coleman Gentry was head of the student body. Money was uppermost in our minds that year as we planned the Junior-Senior. In the fall we had a successful magazine drive. Then we sponsored the school's first White Christmas Dance, which was also a great success. The baseball team again won the District 3 crown, but this time they lost the regional title to Kinston. Our extra-curricular program was greatly expanded as many new clubs were added. Next came a flurry of heated discussions and committee meetings. The result, a gala banquet and prom planned around the theme, "Moonlight and Roses." For the first time it was held at the Hope Valley Country Club, where we danced to the music of Roy Cole's Orchestra. All our hard work proved worthwhile.

Then came the moment we'd lived for--our Senior Year. We chose "Scoop" McAllister as class president, and Mike Gallagher and Robert Blackwood led the Honor Council and student body, respectively. The new school grounds were landscaped, and we knew we had a building of which to be proud. A senior, Carla Smith, was crowned Sweetheart of CHHS, breaking a five-year line of Freshmen Queens. We received our class rings, ordered calling cards and invitations, were leaders in all school activities, studied "Macbeth", wrote term-papers, had the front seats in assemblies, and gave our class play; we knew we were truly Seniors at last.

Many improvements have been made and many conveniences added to the school during our stay. From the proceeds of Snack Shack, an activities bus was purchased for school group trips. Along with the new building, we got lockers and new desks. The national and state flags for the auditorium were presented to the school by the class of '52. During our Junior year, a heating system was finally installed in our beloved tin can. It didn't always work, but nevertheless, it made physical education and basketball games more enjoyable, at least sometimes. A display case for school trophies, two water coolers, and several clocks were added our Senior Year. The ornamental benches along the front walk gave us a place to get together and enjoy snack shack and lunch hour. To keep us from drowning in the mud, the driveway from Franklin Street to the team rooms was paved.

With fond farewell we leave--thankful for the experiences of these four years which have helped us grow toward maturity.

A NEW TOMORROW

The sun goes down on high school days
To bring them to a close,
Yet we remember years ago
When first that sun arose.
Our lives were filled with years of joy
That nothing could enshroud,
Those memories of Freshman days
Of which we were so proud.

But as we think back on those days
The future comes to mind,
We wonder if the years ahead
Will be like those behind.
No, there will be a higher hill
Before the valley green,
Another ridge for us to top
Ere rolling plains are seen.

Mike Gallagher, the boy most likely to succeed, is just bubbling over with charm as he fills in the other half of Jackie Partin's office as the two with the most personality. Living up to what's expected of her, Ruth Hundley is most cooperative and looks the other way.

It is quite obvious why Nancy Woodward and Tommy Lloyd have been chosen the cutest boy and girl in the Senior Class.

Superlatives

Our two most talented and best all around Seniors are auditioning in Ed Sullivan's studio for a fourteen week engagement. (Mr. Sullivan is too far left to be seen.)

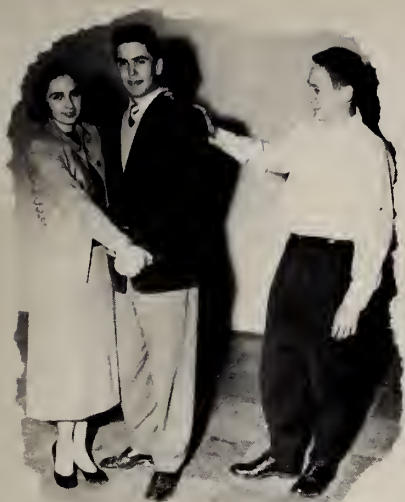

Joyce Marshall and Ned Hedgpeth drop their most dignified titles for a moment and flash their biggest smiles, while Ned, being most polite helps Joyce with her coat.

Kay McGavran, the most likely to succeed, is delivering a few pointers to two most naive students, Barbara Lou Hellen and Bibb Latane.

Nancy Woodard and Billy Thompson, best dancers, are oblivious to the fact that the biggest flirt, Jimmy Campbell is patiently waiting to cut in.

The best-looking boy and girl, Murray Wall and Patsy Poythress, don't seem to realize that the best-dressed boy, Lorin Campbell, is proceeding to break up a beautiful friendship. Or will Patsy mind? (She's best-dressed, too).

In this obviously posed picture, two most intellectual and studious people, Ellen Brauer and Scoop McAllister appear to be boning for a rather important exam.

It is also necessary that we mention three other important camera-shysuperlatives. They are Mac Proctor and Julia Voorhis - most mischievous, and Anzenette Andrews - most musical.

Filling their capacity as friendliest, Joan Norwood and Charles Fentner lend a steadying hand to Jane Hogan and Vic Huggins, most athletic, obviously in the prime of condition.

Martha (Vociferous) Davis and Harvey (The Wit) Stoffer are not having a hard time being most talkative, while Lelia Snipes and Robert Lassiter are politely being most quiet.

CLASS PROPHECY

We are gathered here today, alumni and children, to celebrate the reunion of the 1954 graduating class of Chapel Hill High School. Our class historian, Ruth Hundley Vickers, will give us an account of the events that have taken place since our graduation.

The Gallagher, Hedgpeth, and McAllister Hospital (formerly N. C. Memorial) is flourishing under new "management?". With head doctors, Mike, Ned and, "Scoop" directing the proceedings, many of their former classmates of CHHS are now employed. The Co-Superintendents of nursing are our own Jane and Roxada, while Jackie, when not entertaining the public with her ever popular "Carrboro Lights", is the left-handed man to Carla, the head pediatrician. The ever effective medicines are supplied by the only legalized drug-peddler in the county, "Smug" Wall. The hospital's Grade-A sanitation record is upheld by "Speedy" Rosemond, who keeps strict discipline over his janitors and orderlies.

C. M. Proctor, Jr. monopolizer of hospital cafeterias all over the state, makes ours his home office. Lorin and Julia are managers of the Sloan's Hospitality Shoppe, which is located near the entrance to the dental department, directed by Dr. Robert Ross, Dean of Denistry. His able assistant, Anzy McKnight, when not chasing her twin boys, is conducting a class for beginners in dental hygiene. The nurses are proudly wearing their new uniforms designed by "Joyce" of the House of Grossman. Carolyn, very enthusiastic over her new "Shotts" ambulances with 4-wheel drive, has chosen Bryan, Billy C. and Leonard as drivers. June and Mary Sue have charge of the hospital's laundry trucks, which are also equipped with 4-wheel drive.

Elsewhere in our fair city we find Patsy Poythress, our own Miss America of 1956, and her partner Joan Norwood, running a very successful modeling agency. The partnership of Fentner and Blackwood is doing a booming business as the only civil engineering firm in town. Carolyn Jane is very efficiently putting forth "slim young things" from her Madame T-Bone's Reducing Salon. Old Moneybags McGavran and Every-Ad-Counts Hundley are collecting 13% interest through their Make 'Em and Break 'Em Loan Company much to the dismay of Carnie Joe Clark, the president-elect of the Bank of Chapel Hill. Gerald Cheek, finally retired from high school, has just completed his third volume of The Delights of School Days, which is making the best-seller list. Orange-Blossom Latane has just accomplished the perfection of his Big Orange Drank. Ann McIver and Shirley Crawford have caught their Strowd twins and are raising their own. By the way, Old News-Nose Margaret has started Chapel Hill's first daily news paper, "The Morning Bulletin."

In other parts of our country we find more of CHHS alumni making the headlines with their various jobs and positions. Martha Davis, the only real drama star to issue forth from Miss Lewis' dramatic classes, is currently being seen on Broadway starring in her own production of the revised edition of The Decline and Fall of the Roman Empire, recently banned in Boston. Gordon Proctor and Charles Pendergraft have broken the record for the collection of royalties on their first book which is exploding all theories on physics, setting scientific reasoning on its head. Coach Tommy Lloyd, mentor for the "Hill Top Totterers", is having a busy season since his All-American, Vic Huggins, has finally peeled off his cast. We read in the new York Times that Admiral James Michael Campbell has received from the President of the United States, an award for his outstanding work in the U. S. Coast Guard. The President is our own William Hotelling, whose election by the Whig party ejected from office the remaining minority of Republicans. The only real industrial CHHSer is Prabir Roy, who was voted Chapel Hill's Best-Dressed Man, is manufacturing Green Jackets and Blue-jeans with great acclaim.

Those not with us today include Ellen Braur and Harriet Horney, who on the 6th of June, 1954, (spoke) concludingly to Miss Lewis on certain principals of Proconian management. May they rest in peace!

Well, gang, that's about it. Let's all adjourn to the picnic tables situated on the site of the old Snack Shack building and dig in!

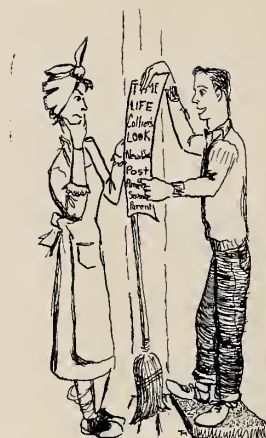

Billy Page, Treasurer; Clarice Merritt, President; Rosalind Johnson, Secretary; Richard Hall, Vice-President.

These officers led us, the Junior Class, through our busiest and most successful year and helped us understand the role we must play as citizens in our high school.

Without the work of library club members, the services of the library to the student body would cease. Each day the mail is checked, stamped, and sorted; hundreds of books are circulated; at the same time others are checked in and shelved; over-due notices are written; attendance is checked, and permission slips are signed. To counter-balance the drudgery of every-day routines there are more interesting jobs, which occur at less frequent intervals, such as processing new and re-bound books, vertical filing, arranging displays and audio-visual materials.

Programs at the bi-monthly meetings this year have included speeches by writers Wilfrid S. Bronson and Manly Wade Wellman, a trip to the University Rare Book Room, movies, a contest, and a panel discussion on education in other countries by CHHS students from those countries.

At Christmas the club entertained the faculty at a Christmas browsing tea, and in the spring a luncheon was held for the senior members of the club in recognition of their services.

Members in the club are also members in the North Carolina High School Library Association and participate in the annual convention, which this year was held in High Point, and in the district meeting in Raleigh.

CHAPEL HILL HIGH SCHOOL GYMNASIUM

Besides serving as the physical education classroom, our beloved "tin can", the oldest structure on the high school grounds, is the site of many exciting inter-scholastic athletic events. In keeping with the high standards of Chapel Hill High School, this gym offers a real test of the ability to everyone that plays there.

After getting an M. A. at Guilford College and a B. A. at Carolina, Mr. Grice came to CHHS. The record of our teams during the past six years shows that we are lucky in having Coach Grice.

Upon ending her active years at CHHS, Mrs. Basnight attended Woman's College, where she received her B. S. in Physical Education. Then she returned to Chapel Hill, where she has coached girls' basketball and softball teams for the past two years.

"THE SPIRIT OF THE THING"

More than a place, Chapel Hill is a spirit-- of liberality having its core in the University; its roots in the town. Born of toil and strife, it has a pride and mellowness, as Thomas Wolfe once said, "beats every other town all 'hollow'." It is a product of the "the new South", and eager, vibrant, farsighted South.

Well, one more year gone by, and one more to go. Last year I listened to your troubles now this year you listened to mine. You know that I really love you, Billy. I hope Clara doesn't read this. I mean it seriously, too. I'm looking forward to Spanish II next year. Mr. Loto will probably crack down on us though.

Just to a fellow jr. marshd. you + Clarie make a fine
couple. I must say, I envy her, very much. I hope to see you
this summer some, with Clarie of course.

Well, I guess that's enough for now. I'll tell you more later.

Billy, I must say that I have really enjoyed
going with you to school every since we
were in grammar school. You are a fine
person and I hope after our years in high
school that nothing will happen so we can
go to F.C.C. together. I have enjoyed double-dating
with you so much and I hope we can do it
more often. Remember May 31 and 32. Hope we
get by that easy next year. Billy, I think the
